

Head of Learning - Northbrook, Broadwater & Shoreham

Team: Construction, Engineering, CIPD, Workforce Development,
Adult Community Learning

Reports to: Vice Principal

Location: Northbrook, Broadwater & Shoreham Campuses

Job Purpose

- To lead a high performing, efficient learning area, ensuring high student success and high levels of staff and customer satisfaction.
- To deliver an annual set of KPIs as agreed with the Assistant Principal.
- To promote high standards of teaching, learning and assessment within the area, producing high standards of student achievement, progression and value added.
- To undertake quality improvement activities to support the curriculum area needs and promote new ways of learning.
- To lead the strategic growth of the curriculum area in all areas of provision to include funded and non funded courses.
- To promote the strong, positive reputation of the curriculum area and the college, through relationships with external stakeholders, schools, employers and parents.
- To work collaboratively and innovatively with staff to ensure a culture of self-assessment and continuous improvement.

Key Responsibilities

- To lead and manage staff, finances, management information and resources within the curriculum area, in accordance with College core values, policies, procedures and regulations and in pursuit of a high quality, effective and efficient provision.
- To manage day-to-day operations of the curriculum area, raising the quality of the learning experience of students and their levels of satisfaction.
- To research and develop the curriculum offer to meet the developing needs of students, employers and the local community, taking into account changing legislative requirements.
- To participate in the College Student referral system to help students achieve to the best of their ability.
- To promote and enable the expectations of the highest standards of teaching, learning and assessment within the curriculum area, ensuring that all students develop knowledge, understanding, skills and abilities within a secure, challenging and stimulating educational environment.
- To work with Deputy Heads of Learning, Professional Learning Coaches (teaching and learning and ILT), study programme/course leaders and course teams to ensure that

target enrolments are met, high standards of teaching and learning are reached and maintained, and student retention and achievement are maximised.

- To improve the quality of delivery in accordance with College policies, quality assurance systems and ensure all evaluation and verification documentation are appropriately maintained, to strengthen the culture of self-assessment and continuous improvement.
- To generate income for the College via commercial course offers.
- To lead and support the area through any change initiatives.
- To communicate effectively with all staff across the College and with external stakeholders.
- To support the development of staff knowledge, skills, team building, participation, motivation, job satisfaction and performance.
- To make a significant contribution to the College's planning, marketing and promotional activities to recruit to target in own curriculum area.
- To undertake cross-College activities to support other areas and teams.

Role Context

Chichester College Group expects staff to:

- Work within the context of the Group's core values, code of conduct, quality requirements and continuous improvement ethos.
- Undertake their duties in accordance with Group policy and procedures, particularly with respect to:
 - Human Resources policies and procedures;
 - Equality, diversity and inclusion policies and procedures;
 - The Group's health and safety policies and procedures;
 - Safeguarding and Prevent;
 - The Group's policy on the confidentiality of data stored electronically and by other means in line with data protection legislation.
- Keep abreast of developments in their own area of expertise and undertake staff development opportunities where identified and approved, subject to funding.
- Support and uphold the Group's environmental sustainability commitment and work towards helping the Group achieve net zero carbon emissions.

Evening and weekend work may be required.

You may be required to undertake such duties as may be reasonably required of you commensurate with this grade.

Work outside the Group must not interfere with the effective delivery of your duties. Additional work requires approval by the Chief Executive Officer.

Other supporting information can be found on the Group's website.
